

Charlton Kings Churches Good Friday 'Walk of Witness'

The Walk starts at Holy Apostles Church and progresses through the village. The Walks are led by members of the participating Churches, and the cross and banner are carried between stopping points by representatives of those Churches (Baptist Church, Sacred Hearts Church, St Mary's Church, Holy Apostles Church). The Walk usually finishes by the erecting of a cross on Timbercombe Hill. The Charlton Kings Community Players have provided street theatre as part of the Walk in the Church Piece Precinct since 1992.
